WEB QUOTE

WEB DEVELOPMENT PROFESSIONAL SERVICES

In today's digital age, a well-designed website can make a real difference for a small business. For **GreenRoots CR**, I propose the development of a One Page website that reflects the natural and handcrafted essence of their products, while providing a smooth and accessible browsing experience for visitors.

As a web developer with a background in software engineering, I specialize in building visually appealing, functional, and brand-aligned digital solutions. This project includes a fully customized design tailored to the visual identity of **GreenRoots CR**.

I am committed to delivering a professional result, meeting agreed timelines, providing support throughout the process, and ensuring the final website becomes an effective tool for connecting with more clients and strengthening the brand's digital presence.

IMPORTANT NOTES

- To begin the project, a **50% upfront payment is required**. The **remaining 50% is due upon final delivery** of the fully functional website.
- The development includes only the features and scope described in this proposal. Any additional features or changes requested during or after development may result in an adjustment to the cost and/or delivery timeline.
- An **estimated delivery time of 10 business days** will be established, starting once the client provides all necessary content (text, images, logo, links, etc.). Delays in content delivery may affect the project timeline.
- The project includes **up to 3 rounds of revisions**. Additional changes beyond these rounds may incur extra costs, depending on their complexity.
- Upon completion, the website will be delivered fully functional and deployed on the agreed hosting platform. A 30-day basic technical support period will be included, covering minor corrections and adjustments related to the initial scope.
- This proposal does not include ongoing maintenance, content writing, image editing, domain purchase, or paid hosting services. These can be quoted separately if needed.
